MINUTE ENTRY

The Court has received and considered Respondent/Mother's Motion for Clarification and Request for Expedited Ruling, and the Response and Reply thereto. Given the conflict between the parties as to the exchange times, clarification/modification of the September 8, 2009 order is appropriate. The Court notes that it did not designate specific exchange times in the September 8, 2009 order because neither party presented specific evidence as to their work schedules at the time of trial, nor did either party include a specific proposed parenting time schedule in the Joint Pre-Trial Statement. The Court hoped that the parties would cooperate with one another in developing specific exchange times that worked within their schedules or that they would utilize the services of the Parenting Coordinator to assist in resolving the issue. In any event, to provide consistency and prevent further conflict,

IT IS ORDERED modifying the weekday/weekend parenting time schedule set forth on pages 2-3 of the September 8, 2009 minute entry order as follows:
